In this class the fairy tale, *The Red Shoes*, by Hans Christian Andersen will be discussed, exploring the meaning and message that the tale has for us in 2018. This tale of enticement, obsession, of being trapped is based on a very old awareness of how vulnerable the human being is to being caught psychologically and at times, physically, in something that carries one away. How is it that people fall into traps, obsessions, even habits, that steal life, health, soul, relationships? Join in for this exploration.
